AST India Achieves Certification as Great Place to Work®

Lisle, IL, April 6, 2021: AST today announces that its global office in India has been awarded the distinction of Certified Great Place to Work® for Best Small and Mid-Sized Organizations in India.

The Great Place to Work® certification recognizes AST as a company that develops and empowers its team to be top performers. Employees consider AST a great place to work due to its people-centric values, competitive compensation, and engaging culture.

“Our people make AST such a great company, and I’m honored to be on a team that is committed and passionate about working together to help each other, innovate, and strive for excellence every day,” says Justin Winter, CEO at AST. “To be recognized as a Great Place to Work further distinguishes our people and the strength of our inclusive, One Team culture at AST. Thank you to everyone on the team!”

AST fosters a culture of inclusivity and innovation at every level of the organization, using strong leadership tenets as a guide: Teamwork, Trust, Accountability, Integrity, and Resiliency. All doors are open and all ideas matter, giving AST’s people the ability to quickly understand the needs of customers and translate those needs into action. The results reveal AST’s strengths and reflect the Core Values on which AST operates: Quality, Innovation, and Customer Success.

“Our corporate culture is our competitive advantage! At AST India, we are more than a team; we are a family that collaborates, innovates, and grows together. Through championing AST’s Core Values and Leadership Tenets, we work hard and play hard. A big shout out to the team for everything you do. This award is a well-deserved recognition for all your contributions in making AST, without a doubt, a Great Place to Work!”, states Vidya Khedekar, Senior VP, Global Delivery Center, AST.

“Our employees are at the center of everything we do as an organization. We will continue to provide the best possible experience for our employees to create an inclusive and engaged culture to empower the AST workplace of the future,” pledges Teresa Stanula, VP, Global Human Resources, AST.

About Great Place to Work®

The Great Place to Work® institute is a global research and consulting firm that helps organizations analyze their cultures while recognizing top performers as great places to work. Each year, over 10,000 organizations across 60 countries apply for the certification, with only a fraction of those gaining the distinction. The results are determined using a third-party Employee Engagement Survey with a rigorous data-driven methodology to quantify workplace culture. The certificate is considered the “gold standard” in identifying and recognizing great workplace cultures.
