

Privacy Impact Assessment Statement

Issued: December 10th, 2020

APPLIES TO: All Consumers and AST - Entire Organization

PURPOSE: This disclosure supports AST's commitment to transparency and provides clarity around AST's ongoing commitment to data privacy.

DISCLOSURES:

AST recognizes the impact and importance of data privacy on end users, clients, partners and AST itself. In an effort to ensure a continuous and proactive assessment, AST retains [Osano](#) to provide ongoing, legally-compliant consent management, data subject rights management, vendor risk monitoring, policy change detection, vendor lawsuit alerts, and privacy law alerts. Osano also provides AST access to a CCPA and GDPR representative, along with other privacy experts, all of whom contribute to maintaining AST's commitment to data privacy.
